AGREEMENT FOR THE TRANSFER OF BIOLOGICAL MATERIAL FOR SCIENTIFIC PURPOSES

The research scientists of the National Collection of Fungi at the ARC-PPRI recognize the importance of exchange of biological materials for the progress of scientific research, and aim to facilitate this exchange in a climate of mutual trust.

- The material supplied is delivered with the understanding that it will not be transferred or transmitted to third parties without the prior consent of the Director of the ARC-PPRI.
- The material supplied is delivered with the understanding that it will only be used for the purposes of scientific research, and should not be transferred to third parties without the consent of the Director of the ARC-PPRI.
- The material should not receive any other designation in future publications and should always be referred to by using the relevant designated PPRI number. The ARC should be acknowledged in any publication arising from this work and a copy sent to the PPRI collection.

Warranties

- The ARC does not provide any guarantees in respect of the material, including a warranty of fitness for a particular purpose of the material.
- The ARC does not warrant that advice given by its employees is accurate or is free from defects.
- The ARC does not guarantee that the material supplied in terms of this agreement will not infringe upon, or violate the rights of any third party.
- The recipient agrees that the absence of warranties is fair and reasonable.

Indemnities

- Notwithstanding anything to the contrary set out in this agreement, the recipient shall indemnify and hold harmless the ARC for and against any and all claims, damages, expenses and costs (including those asserted by third parties), directly or indirectly related to this agreement, in delict for breach of statutory duty or otherwise.

I hereby agree to the terms outlined above
